### HAPPY NEW YEAR 2019 (OUR 39<sup>TH</sup> YEAR OF MINISTRY)

Your support was used, this past three months in Belize, to teach 131 school teachers "How to Teach the Bible" to the students in their classroom everyday. The Lord used us to start 87 Good News Clubs® in the schools and 1,600 Wonder Book Devotional Book were distributed to the children for daily devotional study, supervised by their class room teacher.

These children will be blessed by your ministry of sending us to Belize for three months. Our desire is to continue to represent you to the children of the world, to bring them salvation from the Lord Jesus Christ and provide their teachers with the skills to teach them Christian Growth.

Many of our faithful prayer warriors and financial supporters, over the past 38 years, have gone Home to be with the Lord. We do rejoice that they are in the presence of the Lord; at the same time, we need to make new friendships with individuals and churches, who see the need and vision of reaching the children for Christ in 2019.

### Reach them today - Show them the Way!

Will you help us find new financial supporters and churches, to reach our budget this next year for travel and ministry expenses. Our budget for 2019, is \$60,000. That means we have a need of \$5,000 each month. We now average about \$3,700 per month in donations.

**Will you join us and help us with this deficient on a monthly bases?**

# Bearing Fruit

"Ask God  
and tell His  
people."

Mr. Overholtzer, founder of CEF®, knew that we could not reach the masses of children in the world with paid staff members. Therefore, he founded CEF as a FAITH ministry. Our last three month trip to the Caribbean, used up all the funds in our account #ACE1-3448. We are planning for other trips to different Caribbean countries as well as to some restricted countries. We are waiting on the Lord to speak to His people, to supply the funds for our trips.

Lorna and I will follow our founder's instruction and we will pray and ask you, God's people to send us once again to the children who are lost without Christ.

Thank you for sending us to minister to the children, with your prayers, encouragement and financial support.

Larry and Lorna Frickel
